FOR THE CALIFORNIA DESERT COALITION'S BENEFIT EVENT
Stop the Towers Hootenanny II

The California Desert Coalition (CDC) will be holding a benefit dinner and silent auction at historic

Pappy & Harriet's Palace in Pioneertown on
June 13, 2009, from 4:00 to 8:00 p.m.

Stop the Towers Hootenanny II will feature a buffet dinner, live music, no-host bar and the opportunity to bid on silent auction items. This festive evening of fun and camaraderie promises to be a real “hoot” and will offer us all the opportunity to hear about the latest progress being made to stop the proposed 500kV power corridor through the Morongo Basin and surrounding communities and conservation lands, including Pioneertown within sight of Pappy & Harriet's Palace.

Valuable items from local businesses, artists and individuals have been pledged, and more are needed for the auction. Any items big or small are very welcome and are tax-deductible. All donors will be acknowledged at the party. Please call Fundraising Committee member Carol (760-228-2811) if you have a service, object or artwork to contribute to the event and this important cause or if you would like more information about the event.

Don't miss this hootin' hollerin' evening of fun, all to benefit a great cause.

The California Desert Coalition is a nonpartisan advocacy group organized as an advisory committee of the SummerTree Institute a(501(c)(3) public charity.
