Dear Ruth,

On January 12, 2008, the following resolution was adopted by the San Gorgonio Chapter of the Sierra Club:

Therefore, be it resolved that the San Gorgonio Chapter of the Sierra Club opposes Green Path North as proposed; opposes the construction of high-tension power lines through environmentally sensitive areas; recommends the use of existing power transmission corridors; recommends promoting more conservation in urban centers; and recommends deriving more renewable energy near and within urban areas.

Sincerely,

Sid Silliman
