Secretary

Guy Hann
Treasurer

Vonda Pate-Davis
Membership Chair

Audrey Moe
Education Chair

To whom it may concern,

DECLARATION:

The Desert Hot Springs Historical Society, at its regular meeting of February 5, 2009, voted unanimously to voice opposition to the proposed route of the LADWP Green Path North transmission lines. We believe that the pristine beauty of the age-old valley floor and mountaintops view must be maintained and protected from man-made blight and degradation.

Respectfully yours,

Jeffrey S. Bowman, President
